

HOW TO FIND US

The link below is to a roadmap showing Lewes relative to main road & rail links:

The nearest public car park is in West Street, (*aka "The Needlemakers"*) although this is short-stay and often busy. A short distance further away, the Brook Street and East Street car parks offer long-stay parking at much lower charges. Full details of Lewes car parking are available at <http://www.lewes.gov.uk/community/2315.asp> Access to our rear service area is by arrangement only. The mainline railway station is approximately 5 minutes' walk (up a steep hill!)

We look forward to meeting you.
