Section 6 - “*Completing Your application form*” – is designed to help you prepare your application, and gives details of how you can contact us for more assistance at any time

It is IMPORTANT that you make comprehensive entries ON THE FORM ITSELF

Do NOT simply enter references to accompanying documents

Please LIMIT supporting documents and information to that which is requested

1 OUR POLICY

Lewes Town Council values the community sector and will make financial grants available for its ongoing work. The Council's grants programme is designed to build up the capacity of small groups in the community and to encourage the development of new groups

2 BACKGROUND TO THE SCHEME

The **aim** of our financial grants scheme is to help promote a vibrant and active local community. The Council recognises and supports the valuable contribution made by many voluntary groups and organizations (often very small) in the fields of arts; sport; culture; social care; services for children and young adults; services for the elderly and people with disabilities; and many others who contribute to the wellbeing of the local community. It will consider financial support for community organisations working for the benefit of residents, with the intention of improving the range of services and activities in the town. It will not aid commercial organizations.

The Council has **powers** to give financial aid under various statutes, notably

Local Government Act 1972 :

s137 in respect of expenditure for purposes not otherwise authorized, which are considered to be in the interests of, and bringing direct benefit to, the area and its community

s142 in respect of provision of information concerning services available

s144 in respect of encouragement of visitors; provision of conference & other facilities.

s145 in respect of provision of entertainment or development of arts and crafts.

Local Government (Miscellaneous Provisions) Act 1976 :

s19 in respect of provision of recreational, social and sporting facilities

There is a **limited budget** each year for grants and the amounts requested often exceed the fund available. It is therefore important that all the questions on the application form are answered as fully as possible to provide a detailed picture of your proposed project or of the activities of your organisation within the town.

3 HOW THE SCHEME WORKS

Applications are accepted at any time throughout the year, and can be made for help towards a special project, or the everyday running costs of your organization (see below).

There is a Grants Fund agreed within our annual budget for us to give away during the year as single grants **of up to £2000**, and these are disbursed **four times a year (see cover for this year's APPLICATION DEADLINES)**.

Remember; we are a parish council, and our resources are limited. Most grants are given for a maximum of a few hundred pounds only, although we do give larger amounts.

Amounts over £2000 will be given only in exceptional circumstances. If you feel you may have a special case please discuss this with the Town Clerk before making an application.

GUIDANCE NOTES FOR APPLICANTS

Revenue support grants (sometimes called “core-funding grants”) can be given as a contribution towards the running-costs of an organization: staff costs; rent; operating costs *etc.* These will be strictly **limited to 3 years**, with an **automatic reduction** of one-third in year two and one-third again in year three. This is to help small organizations in their formative years, or in the early stages of a project, but encourage them to plan thoroughly, and become financially self-supporting.

Continued revenue support for organizations beyond three years can only be made by formal agreement outside the grant scheme, when it will be individually identified in our budget plan. Contact the Town Clerk to discuss.

Applications are assessed by a panel of Councillors, which makes recommendations for final approval by Council.

Applications are initially reviewed by the Panel and their merit is assessed independently by each panellist. This assessment covers five categories:

1. How closely the proposed project or organization matches the policy of our grant scheme.
2. The general “robustness” of the proposal – its perceived likelihood of success or sustainability.
3. The thoroughness of the financial planning (*eg* how prudent are assumptions ?; is other finance in place ?).
4. What is the scale/scope of the proposal? Who benefits; how many people, or special groups?
5. A general assessment of the application; allowing for any special circumstances or considerations.

The panellists may then discuss applications in detail, and the Panel may decide to recommend lesser amounts than requested, or to refuse applications.

Applicants should demonstrate that they are also contributing their **own funds**, or seeking additional support, and not asking for the Council to fund the whole scheme or project. This is **essential** if you are applying for a sum exceeding £1,000 - you **MUST** indicate proportionate contribution of either your own funds, or third-party support, or a combination of these, using the table in Q24.

A written report is submitted to the next meeting of the Council with recommendations for awards. The Council has the right to override or ignore these recommendations.

Council’s decision is final and no correspondence will be entered-into regarding applications.

4 GENERAL CONDITIONS

1. Applications will not be considered for grants to commercial organizations, and only in rare circumstances to individuals.
2. Applications will not be considered from organizations intending to support or oppose any particular political party, or to discriminate in any way (*eg* on grounds of race or religion, *etc.*).
3. Applications will not be considered from private organizations operated as a business to make profit/surplus.
4. Applications will not be considered from “upwards funders”, *ie.* local groups whose fund-raising is sent to their central headquarters for redistribution.
5. Applications will not normally be considered from national organizations or local groups with access to funds from national “umbrella” or “parent” organizations, unless funds are not available from their national bodies, or the funds available are inadequate for a specified project.
6. Applications from religious groups will be considered where a clear benefit to the wider community can be demonstrated irrespective of their religious beliefs. Compliance with this requirement will need to be demonstrated throughout the project.
7. Applications from education, health or social services establishments will be considered where the organization can demonstrate that it is working in partnership with other groups and there are benefits to the wider community.
8. The organization must have clearly-stated aims and objectives.
9. The organization must provide a written Constitution that has been formally adopted by the members of that organization or, where their association is less “formal”, similar evidence of agreement between individuals.
10. The organization must provide, or propose to provide, an activity or service that is believed to be clearly needed by the local community or by a particular group of residents.

GUIDANCE NOTES FOR APPLICANTS

11. The organization is required to submit audited accounts or accounts that have been independently examined by a suitably qualified person, for the previous two financial years or, in the case of a newly-formed organization or less formal group, a comprehensive budget and business plan.
12. The organization is required to have a bank account in its own name with at least two authorized representatives required to sign each cheque, or similar demonstrable financial control system.
13. Applications may be made at any time during the financial year. In the case of an advance payment, written confirmation may be required stating that the money will be used for the purpose requested, as well as a monitoring and evaluation statement at the end of the project period or the financial year, whichever is the sooner.
14. Lewes Town Council reserves the right to reclaim the grant in the event of it not being used for the purpose specified on the application form.
15. Organizations that receive a grant will be required to acknowledge Lewes Town Council's contribution on all publicity/printed material. (Our armorial bearings ["logo"] can be provided electronically or in printed form).
16. Organizations that receive a grant will be asked to submit a report detailing how the grant has been applied, once their project or initiative is underway/complete.
17. Organizations that employ staff are encouraged to pay the prevailing Living Wage Foundation Living Wage. *Please also see the accompanying LWF 'Friendly Funder' letter for applicants appended to these notes.*

5 OTHER CONDITIONS

18. Organizations requesting funds for buildings must provide evidence of security of tenure in the relevant property for a minimum of 7 years from the date that the grant is considered (longer term may be required at Council's discretion).
19. Organizations requesting funds for buildings must provide proof that the property is adequately insured.
20. Funding for buildings will not normally be considered if a mortgage or loan is secured on the premises.
21. Where the Town Council deems it appropriate, organizations may be required to provide progress reports or to allocate a place on their management or executive committee for one or more Town Council representatives.
22. Where deemed necessary, the Town Council may request site visits and/or meetings with the applicants to discuss the viability of the proposed project.

6 COMPLETING YOUR APPLICATION FORM**DO NOT WORRY IF YOU CANNOT COMPLETE ALL SECTIONS OF THE FORM!**

We have designed the form to cover a wide range of applicants, from structured organizations to small groups of individuals with a "good idea", and recognize that many of these will be not be able to provide some of the information requested on the form. **IT IS IMPORTANT THAT YOU MAKE COMPREHENSIVE ENTRIES ON THE FORM ITSELF, AND DO NOT SIMPLY ENTER REFERENCES TO ACCOMPANYING DOCUMENTS.** It is NOT necessary to submit extensive supporting documents, and this can actually make assessment more difficult. Limit supporting information to what is requested.

In all cases – if you need to use additional sheets to complete any section please use clean white paper, size A4, to facilitate copying, marked clearly to refer to the "main" section or question. Remember! – **do not** simply write "please see attached" or similar. **Be concise**, and use the space on the form itself wherever possible.

You are strongly advised to complete the checklist on the last page, and keep a copy for your own records.

We will be happy to help you complete your application. **If you need assistance with any section, or just want to ask us further questions before submitting the form, please ask.**

GUIDANCE NOTES FOR APPLICANTS

If you are a formally-constituted organization, remember to enclose a copy of your formal governing documents and accounts. If not: ensure that you have presented your idea clearly and given enough detail for us to thoroughly understand what you are trying to do.

The application form is designed with the following in mind:

Section A It is sometimes the case that an application is from a widely-dispersed group or organization, where a local representative is leading the project. We simply need to know who you are, and how we should contact you if we need to discuss your application in more detail.

Section B We are seeking enough information to allow us some insight into the “workings” of your group. Do not worry about fine points of distinction between categories of member, if you have them; we simply need to form a vision of your group and how it goes about its work.

Section C We need to form a clear picture of the organization, project, or service that you are planning. We will look for a close relationship with our own policy (*See section 1 of these Guidance Notes*) wherever possible, and evidence of sensible planning and research. Always remember that the money we award is given by the people of Lewes, and we must be assured that it will be spent wisely.

We must also ensure that in giving a grant we are not acting outside our legal powers.

We may decide that your application deserves an award, but be unable to give any money immediately, in which case we need to understand clearly how the project will run and may suggest that you re-submit your application at a later date.

We will use the information you provide in this section to gain assurance that the project is viable; will be adequately managed; and that you have planned sensibly to achieve your aims. Do not worry about precise details (unless the plan is very simple) – we are looking for an overall impression of the elements of your scheme and how you have approached the issue of funding.

Section D If you are able to provide formal documents and details then you must do so. If you are a small or informal group, then you should attempt to show clearly how you ensure proper control of your financial affairs. **IF YOU NEED ASSISTANCE – PLEASE ASK.**

Section E We must be assured that the application is made with the approval of your organization, if you are formally-structured. If you are a small, informal, group this can be addressed with a simple written statement from the parties involved.

Section F We hope that completing the form will not be too difficult, but we do expect some effort on your part to provide the information we seek! If you have all the details “at your fingertips” and have already taken appropriate copies of supporting documents *etc.* then we estimate that the form can be completed in 30 minutes or so. Please let us know of any sections which you found unclear, or any improvements we might make to assist future applicants.

Section G This is a binding agreement which will apply in the event that your application is successful. Please read it carefully, and do not sign it unless you understand the terms and are prepared to accept them fully.

Section H **CHECKLIST** - Please take a moment to go through these points, and tick to show us that you have done so. You are **strongly advised** to keep a copy of your completed application for your own records.

GOOD LUCK !

Dear Applicant,

I am writing to let you know that we have joined the Living Wage Friendly Funder scheme – a movement of grant-makers that help organizations to pay the real Living Wage. We wanted to let you know about our Friendly Funder commitment and to share with you what this means.

The real Living Wage, (with a higher rate in London), is calculated every year by the Living Wage Foundation according to the cost of living.

Paying the Living Wage to staff has well documented benefits including improved productivity and retention together with team morale and reputational value. It is also the right thing to do.

Across the UK, one in four working people earns below the Living Wage, and two thirds of children in poverty have a working parent. We believe that a fair day's work should mean a fair day's pay, but we know that there is a huge amount of low pay in the third sector (with an estimated 27% of jobs paying below Living Wage).

At Lewes Town Council we already pay all directly employed staff the real Living Wage, and now we want to make sure that, where possible, we are funding posts at the Living Wage rate too.

Going forward from May 2018 we are encouraging applicants asking us to fund salaries or staff time, to cost this at the Living Wage rate as a minimum. We want grantees to know that we see responsible pay as a sign of good management; rather than a 'race to the bottom' we want to aim for a sustainable and fair sector, where employees are valued and can earn a wage that meets the cost of living.

Crucially, though, if organizations aren't able to pay the Living Wage for any reason (for example, part-funded posts) this does not mean that we won't fund them; it simply means that we want to fund at the Living Wage wherever possible. This is about enabling the Living Wage, not about leaving people out in the cold.

While this new policy does not affect any previous grant with us, we would like to encourage you to find out more about becoming a Living Wage accredited employer, if you are not one already. You can find out more at www.livingwage.org.uk.

- If your organisation is already Living Wage accredited, or plans to become so, please let us know so that we can celebrate this through our communications channels.
- There is a small cost for Living Wage accreditation (starting from £60 per year for charities with less than 10 staff)

Kind regards,
Lewes Town Council
